SAC Meets Today

The Social Affairs committee will meet this afternoon at 3:30 o'clock in the Student Union, according to SAC Chairman Vern Perry. All students are invited.

SHOWN ABOVE is the Ewha Women's University in Pusan, Korea, which, before the Korean war, was the national center of higher education. Most Korean colleges have been shifted to Pusan and appear like the one above. The World University Service is striving to collect funds to help reconstruct some of the war-torn education centers in Korea and the rest of the world. The "WUS Week" activities currently are being carried out on this campus.

Sorority Girls To Model At Fashion Show Today

The World University Service is presenting a fashion show today from 4 to 6 p.m., as a part of their "WUS Week" program, according to Dolores Mathias, chairman of the drive.

The fashion show will be held in Morris Dailey auditorium and will be open to the entire student body and community. It is sponsored by the Mademoiselle Dress Shop. All types of women's wear will be

modeled by four girls from each campus sorority.

The WUS is an organization which conducts an annual fund-raising program in order to help students in destitute foreign nations either to begin or continue their education. WUS gives aid to all students needing help, without prejudice to race, nationality or religious background.

All proceeds from "WUS Week" activities go to this program of benefiting foreign students. WUS is striving to construct schools for foreign students, especially in war-torn Korea.

Club Sponsors Rummage Sale

Today the Spartan Spears will have their quarterly rummage sale in the Outer Quad, according to Joyce De Benedetti, club reporter.

The proceeds of the sale will be donated to the World University Service. Also this week the group is selling tickets to the Faculty Show, which will be held Friday.

Last week, the Spears saw the African souvenirs of Mrs. Alson H. Haggerty, assistant professor of health and hygiene and club adviser, at a meeting in her residence.

Recently, the organization had a party for Miss Margaret M. Twombly, professor of health and hygiene.

Student Speakers To Give Program

Students from two Speech 3C classes will take part in an Oral Reading Hour tomorrow at 3:30 p.m. in Room 158, Music building. Dr. Lawrence Mouat, associate professor of speech, announced today.

Students from Alden Smith's class are Jim Cockrell, Patricia Branch and Dee Joyce.

Representing Dr. Mouat's class are Phyllis Heim, Rosemary Pilcher, and Fred Engelberg.

The program is open to everyone with a cordial invitation extended by Dr. Mouat.

Frat Presidents Promise To Halt Disturbances

1000 Seniors Tour Campus This Morning

Touring the campus today are approximately 1000 high school seniors who are inspecting SJS in its annual Visitation Day.

Principals and counselors as well as students from Santa Clara County high schools and San Leandro High School are visiting here as a part of their regular guidance program.

The visitors were greeted this morning by President John T. Wahlquist who welcomed them at 9:30 o'clock in Morris Dailey auditorium.

Dr. Dwight Bentel, journalism and police division chairman, spoke to the guests about the curricular and extra-curricular activities here with his topic "Inside San Jose State College."

An extensive tour of the campus was to have begun at 10:20 a.m. Members of the Freshman Class Council are to be guides for the visitors.

Before the Visitation Day ends officially at 1:45 p.m. the high school students will have the opportunity of meeting with departmental heads to personally discuss curriculum, and will have lunch on the lawn south of the Library.

An assembly beginning at 1 p.m. in Morris Dailey auditorium will end the day.

Vandals Raid Student Union

Vandals broke into the Student Union early Monday morning and left with \$10.25 from a cigarette machine, according to Pete G. Miller, superintendent of the union.

They attempted to break into the Student Court locker and a mimeograph cabinet, and went through the drawers in Miller's desk, taking two keys.

According to Miller, no trophies were removed and the Coop was not touched.

DR. KENNETH LINDSAY

Kappa Delta Pi To Have Guest Lecturer Here

Kappa Delta Pi's guest speaker, Dr. Kenneth Lindsay, will lecture tonight in Morris Dailey auditorium at 8 o'clock on the topic of "British and American Education: Forward to the Fundamentals."

The general public is invited.

Dr. Lindsay has been lecturing at the University of California where he taught summer session courses dealing with foreign education and the school in the contemporary American social order.

His education includes study at Oxford University and the London School of Economics before becoming Minister of Education in the British cabinet and an independent member for the English universities in Parliament.

"It will be a cultural and intellectual privilege to have him in our midst," Mrs. Lillian Gray, SJS education professor, commented.

This speaking engagement, sponsored by the national education honor society, is an annual event. Dr. Mortimer Adler was last year's guest.

Dr. Henry Meckel of the education department is Kappa Delta Pi's counselor.

Student Acts Bring Critical Police Letter

Fraternity presidents agreed in a special meeting yesterday to do their part in minimizing public disturbances caused by fraternities.

Dean of Men Stanley C. Benz called the meeting to discuss a letter from San Jose Chief of Police J. R. Blackmore and to ask the cooperation of the fraternities in helping to end such disturbances as Thursday evening's water fight.

Chief Blackmore said complaints involving student conduct, especially of students living in fraternity and sorority houses, have increased.

Though the complaints may be of minor consequence, he said, they become greatly magnified before they can be fully explained by students and school authorities.

In his letter, Chief Blackmore said, "The more serious complaints involve the use of alcoholic beverages in some of the houses and in some instances the consumption of beer by students under 21 years of age. More persistent violations include water fights that may appear of a minor nature but can develop into more serious infractions of the law."

He said his letter was sent in a spirit of constructive criticism and he was confident students would realize their responsibilities and cooperate as much as possible.

After meeting with the fraternity presidents, Dean Benz said he was very confident that they would be able to successfully help prevent further disturbances.

Frosh To Lead Student Tour

Volunteer freshman students will escort high school students around the campus today as part of Senior Visitation Day. Following their Monday class meeting, the group went on a "dry run" of the campus to familiarize themselves with the buildings and grounds.

Student contributors to the "A Spartan from the Start" handbook will meet in Dean Stanley Benz's office Wednesday at 2:30 p.m.

JUNIOR CLASS

A regular meeting of the Junior Class Council was held in Room 27 at 3:30 p.m. yesterday for the purpose of discussing a rummage sale which the Junior class is planning to sponsor on May 8, according to Paul Sakamoto, Junior class president.

A committee was appointed by Sakamoto to head the planning of the rummage sale, which will be held in a vacant store on Market street.

Sakamoto urged all persons having rummage of any kind or in (Continued on Page Two)

Urges AWS Filing

Students interested in running for Associated Women Students offices are urged to file their petitions by April 30 in the housing office, according to Mrs. Izetta Prichard, AWS adviser.

ASB Sponsors Student Activities

By BILL SHANDS

Over 50 organizations, to suit every student's interest from entomology to occupational therapy and including writing, painting, aviation, advertising, business, teaching and nursing are sponsored by the Associated Student Body for the over 6000 students who attend San Jose State College.

The ASB also sponsors activities in subject fields that provide practical experience in such major fields as writing, aviation, acting, and radio and television.

Work in actual radio and television productions as well as plays give students a chance to gain valuable experience in acting and technical production on the stage.

Students who are literary minded have the opportunity to work on the Spartan Daily, the campus daily newspaper; La Torre, the college yearbook; Lyke, the campus feature magazine; Reed, the SJS literary magazine, and a number of other student handbooks.

Speech and drama students can

also participate in a number of forensic activities that include radio panels and symposiums.

Besides the subject and interest clubs that are organized for every major curriculum offered at SJS, a number of special interest groups are open for student participation.

These include the Chess club, International Relations club, and International Students organization, and the Spartan Spinners, a student folk dance group which gives instruction in folk dances of Europe as well as America.

Other special interest groups include a Ski club, the Sojourners club, a masonic organization; Spartan Chi for Chinese students and Oriocci for nisei students.

All these activities are centers around the Associated Student body organization, composed of all SJS students. You automatically join when you buy a student body card.

The Student Council, headed by an elected president who presides at weekly meetings, is the controlling body.

The Student Court is organized with a chief justice and prosecuting attorneys, similar to a state supreme court. The Student Court sees that student law is enforced.

The Social Affairs committee plans student dances and the Rally committee plans the card stunts, bonfire rallies and all other functions that make for a spirited student body.

Working with the ASB are the four class councils, Freshman, Sophomore, Junior and Senior, which plan their own social functions and work on problems that affect members of their classes.

These are but a few of the many student activities and organizations in which Spartan students may participate. In addition to the above there are 14 fraternities and 10 sororities to which students may pledge. There are a number of honorary groups such as the Spartan Spears for outstanding sophomore women and the Spartan Shields for sophomore men. There is also a chapter of Alpha Phi Omega, national service fraternity, on the SJS campus.

College Representatives Meet To Discuss AFROTC Problems

A free exchange of ideas and a discussion of various problems confronting the AFROTC program was the agenda for a workshop meeting of the AFROTC held at Fresno State College, Thursday, Friday and Saturday, according to Major William L. Wetszel. Representatives from San Jose, University of California, Stanford

Frosh To Lead Student Tour

(Continued from Page One) any condition to contact either Pat Spooner or himself. SOPHOMORE CLASS

Needy of money themselves, but still working all out for raising funds for WUS, the Sophomores met yesterday and made the final arrangements for the faculty show, "Faculty Frolics."

To build up their treasury a coke sale was planned for May 5. SENIOR CLASS

Dr. William H. Cowley, professor of higher education at Stanford, was chosen Senior Banquet speaker by the Senior Class Council yesterday. The banquet will be June 17.

The council voted to make the Senior Banquet a semi-formal affair.

Smallpox Series Shots Scheduled

Smallpox immunization shots are scheduled today for students who are taking the health series. Hours are from 9 to 11:30 a.m. and 2 to 4:30 p.m. in the college health office.

Cards are still available in the Graduate Manager's Office at \$1 for the smallpox and diphtheria-typoid series, according to Miss Margaret Twombly, head of the health department.

Richard Kroth

artist, lecturer, and faculty member of the Rudolf Steiner School of New York, will give a free lecture on spiritual foundation for the new education at the Anthroposophical library.

Thrust & Parry

To Say The Least!

Dear Thrust and Parry:

There seems to be a conspiracy on this campus. Who was the master planner who decided to rebuild all the ladies' powder rooms at the same time? It is frustrating to say the least and undemocratic to say the most! One has two courses of action—either walk miles in search of a little room or attempt a sprint to the nearest filling station. Both ways it is practically futile to expect to get to class on time where there are only 10 minutes between periods and nine and a half of them are spent in a wild-eyed search.

In trying times like these, one can at least hope that a word in protest might prevent a similar catastrophe in the future, or perhaps there could be some arrangement for an emergency shelter.

DAMILLA PATRICK,
ASB 3823

Fraternity Gives Grade Minimums

Tau Delta Phi's second smoker of spring quarter will be held at Alpine Par tomorrow at 7:30 p.m., according to Larry Gildea, publicity director.

Requirements for entrance are a 2.0 overall average and a minimum of 60 units, or the equivalent in semester units. Transfer students must have completed at least one quarter of work here.

All persons who can meet these requirements are invited to attend the smoker, according to Gildea.

La Torre Graduate Pictures Promise To Highlight Annual

Probably the most thumbed through section of La Torre, the college yearbook, will be the graduate division . . . at least for the graduating senior.

La Torre staff members, during the past months, have scheduled more than 1000 photographs of seniors graduating in August and December of 1953 and March and June of this year.

After the pictures are shot, they are recorded and filed both numerically and alphabetically. Then, the La Torre staff contacts each college department to supply information for each division of the graduate section. Finally, the student's name, home town, and major are recorded beside his picture.

This year's La Torre is including

Living Groups To Hear Religious Week Talks

Twenty-five boarding, sorority and fraternity houses are scheduled to have speakers for dinner and a discussion in their houses on Monday and Tuesday of Religion-in-Life Week, April 25-26, according to The Reverend James Martin, executive secretary of the Student Y.

Faculty members, community businessmen, ministers and priests will be among the 25 guest speakers representing the Catholic, Protestant, Buddhist and Jewish faiths.

These living group discussions have grown into one of the highlights of the week from just seven living group discussions in 1950 to 25 living group discussions this year.

Sherry Nuernberg and Sue Renzel are the co-chairmen of the House Visitations Committee which has been organizing this program.

The Rev. Martin urges all other groups who wish a speaker during Religion-in-Life Week to contact him at the Student Y.

Listed below are the names of the living groups and their speakers, as listed on the official program.

Alpha Chi Omega, The Reverend Gerald M. Ford; Alpha Omicron Pi, Mrs. Holden E. Brink; Alpha Phi, Mrs. Stanley C. Benz; Alpha Tau Omega, Dr. Boyce Van Osdel; Bell Manor, Father Joseph G. O'Gara; Chi Omega, The Reverend Everett C. Thomsen; Cordelia Hall, Mrs. Geneva Vaughan;

Delta Gamma, Father Stephen B. Earley; Delta Sigma Phi, The Reverend John J.

Murphy; Delta Upsilon, Dr. John H. Otwell; Delta Zeta, Dr. Edward V. Stein; Di Bari, Mr. Charles Boyd.

Gamma Phi Beta, The Reverend Richard H. Fitch; Kappa Alpha, Mr. Melville McBride; Kappa Alpha Theta; The Reverend Clyde W. Everton; Kappa Kappa Gamma, Mrs. Rose Emery; Kappa Tau, Father John S. Duryea; Mrs. Sally Jones, Rabbi Irving Hausman;

Pi Kappa Alpha, Father Donald McDonnell; Sigma Alpha Epsilon, Dr. Fred Harclerod; Sigma Chi, The Reverend Henry J. Croes; Sigma Kappa, Mr. James Jacobs; Sigma Nu, The Reverend Harold K. Shelley; Sigma Pi, The Reverend Ross Hidy; Theta Chi, The Reverend Leonard Hildebrandt.

Counseling Posts

Representatives from the Girl Scout Hayward Area Council will be on campus tomorrow to interview persons for summer camp counseling positions.

Placement Office, Room 100, has further information.

Through the Dark Glasses

By JOE BRYAN

WHAT'S HAPPENING?

Jim McGuy's favorite question "what's happening?" has been asked us by more than a few students since President Wahlquist announced that he is discouraged about San Jose State's chances of getting into the Pacific Coast Conference. In deference to our questioners, we made a trip to the Men's gym and repeated the question to Athletic Director Bill Hubbard. Bill says nothing has changed and that San Jose State will continue to schedule schools that will play us. "We shall be neither fish nor fowl," said Bill.

As the matter stands now, San Jose State will meet four PCC opponents on the gridiron this fall: California, Stanford, Oregon and Idaho. That's all we know.

MORE ABOUT FOOTBALL

Danny Hill, athletic news director, has given us still another breakdown on the gridders who began spring practice yesterday. According to Danny there are 64 who checked out moleskins. Of these, 20 won awards on the 1953 football team. Two additional award winners from the 1952 squad showed up. They are Back Roy Hiram and Tackle Jack Adams. Joe Elm, Clarence Wessman, Tom Powers and Dick Thomas have survived their year of ineligibility and reported. Ten sophs have checked in from Coach Bob Amaral's Frosh squad. Five members of Hartnell JC's undefeated team of last year have put in an appearance.

ARNICA AND ADHESIVE TAPE DEPARTMENT

Even though they managed to place 24 men in the Stanford All-Comers track meet, Coach Bud Winter's charges cannot be said to be in the best of shape. For instance, every time Owen Rhodes, the pole vaulter, landed in the pit he was aggravating six boils and should be carrying a pillow to classes from what we hear. Owen tied for first place in that event at 14.1 1/2 and became the second colored athlete in history to clear 14 feet.

Also ailing was Don Cruickshank. Don managed to win one heat of the 220 yard dash in the time of 22.1 despite being shot full of ocremycine and penicillin.

Val Daniels who, won one heat of the 440 yard dash pulled up lame afterwards. Val's time was 50.1.

Jack Albani's bad ankle gave out on him again and he had to lay out of the relay along with Cruickshank and Daniels. The only regular in the relay was anchor man Bill Stephens.

EVERYBODY'S PROUD OF ERNIE

Ernie George, lanky 18-year-old San Jose Frosh golfer, did real good for himself in the Northern California Intercollegiate Golf Tourney at Stanford last weekend. Ernie met four Stanford golfers on their home course and came away victorious three times while being tourney runner-up. Ernie's most significant victory was over Fred Brown, who is rated Number One among collegiate golfers. Ernie was three down turning for home and managed to catch the Stanford ace via three birdies.

ABOUT WE'UNS

If you were at the baseball game Saturday, the voice you heard on the PA system belonged to Mike Konon, the only full-time reporter on the sports staff. Mike's duties include Varsity and Frosh baseball, swimming, boxing, intramural sports and Konon's Kalender.

Efficiency expert of the sports page is Jerry Gandy. He checks spelling and grammar and writes all of the headlines. Judo is his responsibility.

Tall Jerry Engle takes care of tennis. You know what they say about tall guys.

Last, but not least, is blond Betty Bennett, our eye-pleaser. Her Sportlights column is designed to keep the Women's Athletic Assn. happy. Her current ambition is to interview "Shoeless" Joe Elm, but she hasn't convinced us that she knows a body block from a huddle yet.

Lambert, Threlfall Lead Swim Win

Coach Charles Walker's varsity swimming team splashed their way to a 59-25 victory over the University of Arizona to close the 1954 swimming season at Spartan pool yesterday.

Art Lambert and Dick Threlfall both turned in double wins to lead the Spartans to their eighth duel meet win out of ten meets, and their fifth straight duel meet win.

Lambert won the 220-yard freestyle and the 200-yard breaststroke for his twin wins and Threlfall won the 50-yard freestyle and the 100-yard freestyle.

Other winners were: the 300-yard medley relay team of Dick Miller, Jay Flood and Rollo Koivisto, Chuck White, Bill Bace, Miller and Rod Lundquist.

SJS is reported to be one of only 15 accredited colleges out of 800 in the U.S. that offers a comprehensive elementary school Science program.

DON HUBBARD, ace two-miler of Coach Bud Winter's track squad, clipped a half second off the school record for that event Saturday at Stanford. Competing with Hubbard was the former record holder, Frosh Coach Bob McMullin. Hubbard's time was 9:37.3. McMullin's record was made in 1952. Coach Winter, who predicted that Hubbard would break the record several weeks ago, stated after the meet that he expects the two-miler to do even better before the season is over. Hubbard is a sophomore.

Mermen Capture Meet, Top 6 Marks at Fresno

By MIKE KONON

Three California state college records and three San Jose State College marks fell as the Spartan varsity swimmers powered their way to victory in the California State College Swimming Championships at Fresno State over the weekend.

San Jose State totaled 162 1/2 points; Cal Poly, 100 1/2; Fresno, State, 35; San Diego State, 16; and Los Angeles State, 15.

The Spartans swept the meet by taking nine out of the 12 swimming events and placing in the diving.

Chuck White (SJS), freshman record smasher, broke the 150-yard individual medley record by covering the distance in 1:41.6, breaking the old mark of 1:43.2 set by High of Cal Poly in 1953.

Bill Short repeated with his third consecutive win in the 200-yard breast stroke event to break

his own state college mark by about two full seconds.

The San Jose State 400-yard relay team cut four seconds off the old record to win the event in 3:45.6. The team, composed of White, Tom Haine, Art Lambert and Dick Threlfall, beat the old mark of 3:49.4 set in 1951 by another SJS relay team.

Rod Lundquist claimed two new college marks with a second in the 1500-yard freestyle with a time of 21:08.8. He broke the old record of 21:38 set by Don Lee in 1950. Lundquist finished second in the 440 but claimed another SJS mark with a time of 5:09.2 to shatter the mark set by Martin Wimpe in 1938.

Lambert bettered the SJS freshman 220-yard freestyle record with a performance of 2:22.4 in winning the event. He came within one-tenth of a second of the college record for the event.

Religious Services To Be Held Today

The second in a series of bi-weekly chapel services will be held in the campus Memorial Chapel today at 12:30 o'clock, according to Ed Wright, chairman of the Student Protestant council, the sponsoring group.

Wright stated that The Reverend Richard Fitch of St. Paul's Methodist church of San Jose will be the speaker for the services. Reverend Fitch's topic for discussion is "Portrait of the Devil."

The chairman also announced that all students are invited to attend the services.

The Student Protestant council is composed of representatives from the several Protestant young people's groups around campus.

Group Initiates New Members

With decorations and refreshments carrying out an Easter theme, Pi Omega Pi fraternity, national business majors group, held an informal initiation recently, according to Jack Woodard, historian.

New officers are Barbara Bucklew, president; Elaine Joseph, vice-president; Margaret Volz, recording secretary; Violet Olivette, corresponding secretary; Ronald Kooda, treasurer; and Jack Woodard, historian. The initiation was held in the home of Marie Curtis.

Dr. Edwin Swanson is adviser to the group.

NATION-WIDE DEMAND FOR L&M DROPS PRICE!

You Save Up to 4¢ a pack — 40¢ a Carton...

Now Every Smoker can afford L&M — America's highest quality and best Filter Tip Cigarette —

In less than 4 months since L&M Filters were put on sale across the country they have gained a nation-wide demand never before equalled by any other cigarette in so short a time.

So naturally... down goes the price to you of L&Ms — America's

highest quality and best filter tip cigarette.

Thousands of dealers in America's leading cities — in signed statements report L&Ms their largest selling filter tip cigarette.

Why have L&M Filters rolled up sales records like this? For the

first time filter tip smokers are getting what they want... much more flavor and aroma... with much less nicotine. After the first few puffs from an L&M, most smokers sum it up this way, "THIS IS IT—JUST WHAT THE DOCTOR ORDERED."

Exclusive
L&M miracle filter tip contains Alpha Cellulose, for most effective filtration.

FROM L&M TO YOU — JUST WHAT THE DOCTOR ORDERED

- 1. THE MIRACLE TIP...** for most effective filtration. Selects and removes the heavy particles, leaving you a Light and Mild smoke.
- 2. PUREST AND BEST** filter made. Exclusive with L&M. Result of 3 years of scientific research... 3 years rejecting other filters. This is it!
- 3. MUCH MORE FLAVOR... MUCH LESS NICOTINE** L&M Filters are the first filter cigarette to taste the way a cigarette should. The premium quality tobaccos... and the miracle filter work together... to give you plenty of good taste.
